

Srdjan M. Lukic, PhD
Associate Professor
North Carolina State Univeristy

Srdjan M. Lukic (M'07) received the Ph.D. degree in electrical engineering from the Illinois Institute of Technology, Chicago, IL, USA, in 2008. He is currently an Associate Professor with the Department of Electrical and Computer Engineering, North Carolina State University, Raleigh, NC, USA. His research interests include design and control of power electronic converters with application to wireless power transfer, energy storage systems, and electric automotive systems. Dr. Lukic serves as an Associate Editor of the IEEE Transactions on Transportation Electrification. He served as a Distinguished Lecturer with the IEEE Vehicular Technology Society from 2011 to 2015
